Glenna Horvath

ONE OF SIX YOUNG ALBERTANS

GLENNA HORVATH WINS JUNIOR CITIZEN AWARD

Word was received in Drayton Valley last week that Miss Glenna Horvath has been selected as one of six winners of Calgary Power's 1967 Centennial Junior Citizen Awards.

In April of this year Glenna saved her five younger brothers and sisters in a fire that destroyed their farm home 3 miles west of Drayton Valley.

Glenna was baby-sitting younger members of the family when the fire was discovered about 10:15 p.m. With the help of the family dog, she got the youngsters outside and hailed a passing motorist.

Glenna was nominated for the award by Mrs. Carol Shiek of 5020 - 44th Street and her name submitted to Calgary Power Ltd. by The Western Review. The announcement of her selection was received in a letter from Tim Finnis, advertising assistant with the company.

The awards will be presented this year by Hon. Robert Clark, Minister of Youth in the Provincial Government, at the annual convention of the Alberta Weekly Newspapers Association. The convention will be held at the Capri Motor Hotel in Red Deer, and the presentations made at the luncheon on Friday, October 20th at which time the six winners and their parents will be guests of Calgary Power.

Heavy Hail Damage

A hail storm that swept through the district late Monday afternoon caused heavy damage along its course. The storm passed through the Easyford and Rocky Rapids areas about 5:00 p.m., crossed the river and smashed through the Berrymoor district moving in a south-easterly direction.

Crop damages from eighty to hundred percent were common along the trail of the storm.

The storm covered a strip about a mile wide along its west to east course. Hail stones the size of golf balls were reported.

Shortly after 5:00 p.m. hail was lying from 8 to 10 inches deep on Highway 57 about half a mile north of the Rocky Rapids-Easyford junction and the ground was still white Tuesday morning. Cars had difficulty travelling the one mile stretch until tracks were beaten through the layer of hail stones.

Baseball Finals

The provincial intermediate "A" baseball finals will be played at Warburg on Saturday and Sunday, August 26th and 27th. Games in the double knock-out competition will start at 10:00 a.m. each day.

Teams taking part will include Peace River, Pincher Creek and Warburg. Also taking part will be either Stettler, Big Bend or Czar depending on the outcome of games this week.

Exchange Students Leave for East

Shown above prepared to embark by bus for the trip to Edmonton and then by train to Chicoutimi, Quebec are Drayton Valley and area members of the student exchange group. The group left here last Wednesday with plans for three more stops on the way to Edmonton to pick up the other members of the group. In the front row, left to right are: Brenda Johanneson, Marlene Hazzard, Jennifer Zilm, Fred Crory, Mr. and Mrs. Jack Bright, Julie Wilner, Cheryl Pederson, Bonnie McGaughey and Margaret Hammerlindl. Back row, left to right, Leslie Snell, Donald Pezzot (hidden), Larry Metelski, Grant Mastre, Charles Lingard, Danny Bartlett and Louis Balen.

Teachers Sought by School Division

The Stony Plain School Division is still short several teachers for a complete staff with school re-opening less than two weeks away.

Drayton Valley schools are still short eight teachers; Stony Plain, five, Seba Beach, five; Entwistle, two; and Keephills, one.

Alex W. Boychuk, secretary treasurer of Stony Plain School Division No. 23, in commenting on the shortage noted that although the situation is usually difficult at this time of year this year is particularly bad.

One of the reasons Mr. Boychuk gave for the teacher shortage is that many of the teachers begin their teaching in the city. If a teacher, who has taught several years in the country schools should decide to teach in a city school, they would not receive pay equal to the teacher who had taught consistently in the city. So, he explained, most of the teachers want to begin teaching in a city school and remain there.

Youngsters Cause Problems By Sliding on Hay Stacks

Youngsters sliding on hay stacks are creating problems for farmers in the vicinity of Drayton Valley.

Perhaps these youngsters, and possibly their parents, are not aware that a farmer goes to considerable trouble in topping hay stacks to make them waterproof to preserve the hay.

When the top is disturbed the rain seeps into the stack and rots the hay. Children climbing and sliding down the stack can ruin the farmer's work quickly.

Parents are asked to inform youngsters of the trouble created by after-dark hay stack sliding and the fact that farmers in the area are becoming a bit annoyed at having to go out time and again to repair the damages.

Gift for Mayor

Councillor Harry Zolmer (left) presents Mr. and Mrs. Jack Bright, exchange students escorts, with a gift from the Town of Drayton Valley to the Mayor of Chicoutimi, Quebec, the destination of the exchange group from this area. The gift, a desk set, features a drill core from the Pembina Oil Field.

Paddling the Centennial Voyageur Canoes 3,283 miles to Expo, September 4, is wet, hard work. Alberta's David Thompson canoeists here are (left to right) Ken Hardy, 23, Edmonton school teacher; Adam Borys, 28, Medicine Hat policeman; Dave Ellery, 36, Drayton Valley oil worker; and in the stern Captain Vic Maxwell, 31, Rocky Mountain House big game guide. Each team has nine paddlers and six of them paddle each day while the others go to the finish line, set up camp and prepare the evening meal.

Four Named To Agriculture Hall of Fame

Four new members have been named to the Agriculture Hall of Fame, maintained in the Legislative Building by the Alberta Department of Agriculture.

Premier E.C. Manning will present certificates of membership in the Hall of Fame to the four men in a special ceremony in the Legislature at 2:30 p.m. September 14.

Those being honored include one of the original founders of the Alberta Livestock Co-operative Limited, Hugh Allen of Grande Prairie; a man who has been president of the Alberta Livestock Co-operative for the past 17 years, Charlie Hayes of Stome; and the president of the Holstein-Friesian Association of Canada, J.W. Hosford of South Edmonton.

Following the presentation, the ceremony will adjourn to the west wing on the main floor of the Legislative Building where the members' pictures will be unveiled in the Hall of Fame.

The Agricultural Hall of Fame was founded in 1951 as a means of honoring those who had made outstanding contributions to agriculture in this province. These are the first appointments since 1959.

BERRYMOOR

Mrs. D. Martin
Correspondent

Congratulations to Mr. and Mrs. Jerry Young who were married in the Pentecostal Church at Berrymoor on Friday, August 11th. Following the wedding a reception and dance was held at the Lindale Hall. Friends and relatives from widely scattered areas gathered together for the happy occasion. Following their honeymoon the young couple will reside in Edmonton.

Congratulations also, to Mr. and Mrs. Jim Levers who were married in the United Church in Breton on Saturday, August 12th. Following the wedding a reception, open house and dance was held in the Breton Community Hall. A number of Berrymoor folks attended, also, there were many out of town visitors. Mr. and Mrs. Levers plan to reside in Breton.

Mr. and Mrs. Bill Roberts and family moved into their house on their farm on Thursday. They had this house moved onto their farm recently and have been very busy preparing it for occupancy.

On behalf of the whole district we would like to extend a most hearty welcome to the young lady who has just arrived from Poland and is a visitor in the Reznik household.

Mrs. Olga Lindell of Breton is visiting in the district. She spent a couple of days with her daughter, Mrs. Donald Martin, and is presently spending a few days with Mrs. Hattie Barrett.

The grade nine results arrived in the mail this week. Congratulations to all of the local young folk who successfully completed this grade, and most of them did.

We understand that Mr. Percy Laughlin has bought the school bus formerly owned by Mr. Allan Wideman. Best wishes Percy, in your new job.

Mr. and Mrs. Charles Lindahl are away for a few days on a well deserved holiday.

Mr. and Mrs. Jack Barrett and Ralph Cropley visited at the Don Martin home one evening this week. Ralph is a former resident of Berrymoor, in fact, he grew up there, and it was a real pleasure to see him again.

Preparations are almost complete for the wedding of Miss Edith Wideman and Mr. Roy Floden, which will take place at the bride's home on Saturday, August 19th.

Swim Meet Saturday

Drayton Valley will host the annual District Swim Meet on Saturday, August 26th. The meet, which gets underway at 12:00 noon, will see teams participating from Hinton, Edson, Devon and Drayton Valley.

Clinic at Evansburg

The Alberta Tuberculosis Association's mobile chest x-ray clinic will be in Evansburg on Wednesday, August 23rd and Thursday, August 24th following stops in Drayton Valley and Lodgepole.

The clinic will leave Evansburg on Thursday, August 24 and set up in Wildwood on August 25th. The Wildwood clinic will be held in the community hall between 1:30 p.m. and 5:00 p.m. on Thursday, August 25th. The clinic will move to Nojack following the Wildwood stop.

New Sundance Plant

First phase of the new Calgary Power Ltd. Sundance development faces east--will extend north for a second 300 mw. unit and south to accommodate the 500 mw. units. Sketch shows control room, offices and station service switchgear in front of the turbine house. Cooling water intake from Lake Wabamun will terminate at a separate pumphouse and water will be carried to the powerhouse in conduits, eliminating problems in extending intake and discharge passageways for additional units. The coal-fired Sundance thermal station is being built on the south shore of Lake Wabamun.

Assistance for Fair Exhibitors

The Honorable Harry E. Strom, Minister of Agriculture stated that the Alberta Department of Agriculture will again assist livestock breeders of the Province with an exhibit at the Royal Agricultural Winter Fair in November.

Selectors appointed by the provincial breed associations will select the exhibit under the direction of the Alberta Livestock Board. The Livestock Branch will co-ordinate the work of selectors and assemble the shipment.

Breeders planning to nominate beef cattle, dairy cattle, sheep and horses should forward their nominations to J. L. Kerns, livestock supervisor, Alberta Department of Agriculture, 10404 - 100th Avenue, Edmonton.

Nominations must be mailed to reach the Department before September 5th because some selections will commence on that date.

Since there may be a few changes in the classification of some of the 1967 Livestock classes, breeders who have not exhibited for a year or two but who are planning to nominate this year should write to the Royal to assure that they will receive a 1967 Livestock prize list as soon as it is available.

Breakdowns Lower Clinic Attendance

Due to major breakdowns in the X-ray equipment the TB Mobile Clinic was unable to attend to the many people who came Wednesday and Monday. It was with regret that the staff were unable to x-ray people at any of the clinic times for those days.

Because of the special equipment it was necessary that service personnel with x-ray experience had to be brought out from Edmonton to repair the unit on both occasions.

However, 641 people were accommodated on Thursday and Friday. Due to holidays and machine breakdown this is far short of the anticipated 1200-1300. There is a possibility of another Mobile Unit returning here at the end of September to make up for the two days lost and to serve those presently away on holidays. This would only be if we could be sure of a good turnout. These people are able to put through 200 in an afternoon and 175 or more in an evening.

Your sponsoring body, the Nurses Association and your general chairman, H. Dahl would like to use this medium of saying thankyou to all those people who worked so willingly and successfully on short notice when the clinic was pushed ahead 2 weeks prior to the original date. You did a wonderful job and the use of the curling arena was most satisfactory.

Annual Fair at Wildwood

The 29th Annual Agricultural Fair was held last week at Wildwood and attracted exhibitors from a wide area of the district. Judges are shown above examining a table of preserves and garden and dairy products among the exhibits that ranged from livestock to school handicrafts. A parade through the town got the day off to a good start.

Entwistle News

Mrs. E. Oliver, Reporter

Mrs. Starling's old store which was the first school in the early years, was torn down and donated for the Centennial Bonfire at Entwistle's Reunion on August 5th. The younger set had a large weiner roast putting the old wood to good use.

Johnnie Bills is in the Drayton Valley Hospital recovering from an attack of pleurisy and pneumonia. We hope he will soon be back home again.

Mrs. Bernice Farewell and her family of Calgary spent a few days with her sister Mrs. Marlyne Nelson.

Mrs. Violet Kynock has taken over the Esso Cafe.

Mrs. Edna Benjerman has gone to Expo and her daughter Audrey is looking after the running of the cafe.

Leslie Sullivan is home after spending some time in Edmonton with her relatives.

Lloyd Seedhouse was home on the long weekend to see his parents.

Hubert Forecast went to B.C. to attend the wedding of Hugh Neumann and Marilyn Pugh on August 12th.

Mr. and Mrs. Norman Hanson, Lorne and Loraine Skare also motored to B.C. for the Neumann-Pugh wedding.

Mr. and Mrs. Mervin Canfield and family of Calgary are spending a few days at the Ed Nelson home.

Mr. Stan McArthur's two nephews, Bob Peacock and Doug Jackson of Spirit River spent some time in the McArthur home.

Ted and Vera Starling are back from their holidays.

Mr. and Mrs. David Brown and family are back in Entwistle after spending a few years in Alaska.

Mr. and Mrs. Tom Molineaux and Gary of Horsehills spent Sunday at the Oliver home. They brought Harold Oliver back home from visiting his cousin in Edmonton.

The Entwistle Community Church held their Vocational Bible School on August 7-11. A program was put on in the evening of August 11th and the articles that were made were put on display for all to see. Eighty-two children were present throughout the week and the Community Hall where the program was held was full.

The winners for neatness in books were: Small Class--Kerry Menzies and Donna Kiminski; Intermediate Class, 7-8 years, Darleen Court, and 9 years, Dennis Semenyna; Junior Class--Billy Semenyna; and Senior Class, Lloyd Burke. Bernadette Law received a prize for bringing the most children to V.B.S.

Many thanks to all those who helped in any way and a special thanks to Rev. and Mrs. Koehn for their time and effort to such an undertaking once again this year. The children came from Reno, Park Court, Moon Lake, Evansburg and Entwistle.

ENTWISTLE NEWS By Mrs. E. Oliver

Many Former Residents Attend Centennial Reunion

Saturday, August 5th, 1967 at Entwistle will be a day soon not forgotten. Former residents from far and near were home to renew acquaintances. Senior Citizens received pioneer scrolls from the Village of Entwistle.

Jack Read was responsible for the collection of pictures of Entwistle's past history and all the newspaper print that was on display. All pictures were donated by interested persons from the various villages of Evansburg, Parkcourt, Reno, Styal, Magnolia, Moon Lake, Brightwood, and Entwistle. Thanks to all who took time to gather pictures for this occasion.

Among the activities were entertainers Don and Judy Davis, Shirley Mae O'Neil with bag pipes and Highland Dancing. Mrs. Davis of Calgary brought the children out to perform. Mrs. Davis is a neice of Mary Smith. The entertainment was thoroughly enjoyed by all who were at the Elks Hall at that time.

For the youngsters a big weiner roast was held and in the evening a Teen Hop kept them all busy.

The main event of the day was the barbecue and centennial ball which was well attended and enjoyed immensly. Mr. N.R. Gylander was chairman for the official welcoming. Mr. Gordon Campbell spoke on behalf of the Village. Rev. Jack Scandrett of Melville, Saskatchewan told of several instances that happened years ago and how everyone had a good time despite hard times.

Lynn Brown, a granddaughter of Mrs. Ada Brown (nee Entwistle) presented a bouquet of roses to her grandmother. Mrs. Brown is the only living relative of the founder, J. Entwistle. She also taught school here in the early 19 hundreds.

Community singing rounded out the evening with a group of entertainers from Edmonton performing. The rest of the evening was spent in dancing.

Many thanks to all who worked on the committees to make this a success. Many thanks to Mr. Bullock for the slabs, the Village of Entwistle for supplying funds for decorating, and Mr. Ed Nelson for setting up the flags.

A lovely pancake breakfast was served on Sunday, August 6th for all the early risers. On Sunday afternoon an enjoyable pot luck picnic was held at the Pembina Provincial Park. Many were there that did not get to the Saturday affair.

Visitors from outside our district were: Mrs. M.K. Finch, San Diego, California; Thelma Dolf, California; Mr. and Mrs. Lloyd Brown, Philip and Karen, Davis, California; Mrs. Mae Arrand, London, Ontario; Bert Palmer, Kentore, Ontario; Thomas Mitcheson, London, England, uncle of Mrs. Betty Brown; Rod and Charlotte Turnbull (nee Sullivan), Winnipeg, Manitoba; Rev. and Mrs. Jack Scandrett, Joan and John and Mrs. Scandrett Sr. of Melville, Saskatchewan; Bill and Bea Robinson of Fort St. John; Mr. and Mrs. Fred Winter, Edberg; Mr. and Mrs. Don Holmes (nee Daniel) Peace River; Mr. and Mrs. Ernie Marskell and Mr. and Mrs. Jack Galpin and family all of Valley View; Bubbles Koger and family (nee Robinson), of Edson; Mrs. Constance Turk, Pembridge; Mrs. Dorothy Stoodley, Mayerthorpe; Mrs. Stan Wellwood, Onoway; Mr. and Mrs. O.L. EASYFORD NEWS

The Easyford Ball Tournament was held on Saturday the 19th. The first game found the Drayton Valley All Stars defeating the Drayton Valley Oilers 14 to 12. In the second game the Drayton Valley Old Timers played Easyford winning by a score of 10-9. The last game was won by the Drayton Valley Old Timers who defeated the Drayton Valley All Stars by a score of 12-11.

A large crowd attended the dance and social held at the Easyford Hall Friday evening. A good time was enjoyed by everyone.

The monthly hall meeting was held last Monday. It was decided to paint the outside of the hall on August 27th. Also, to repair the siding where it is needed.

Mr. and Mrs. George Getzinger motored to Edmonton to attend the wedding of Mr. Harry Clark and Mrs. Ida Lynch.

Mr. and Mrs. Gordon Cronk of Stettler spent the week visiting her brother and sister-in-law, Mr. and Mrs. H. Fink and family.

Mrs. Pearl Fink returned home with them.

The Easyford teen-agers held a swimming party and wiener roast Sunday at Brown's swimming hole.

Mr. and Mrs. John Hutchinson of Fort St. John, B.C. spent the weekend visiting relatives.

Library to Resume Regular Schedule on September 5th

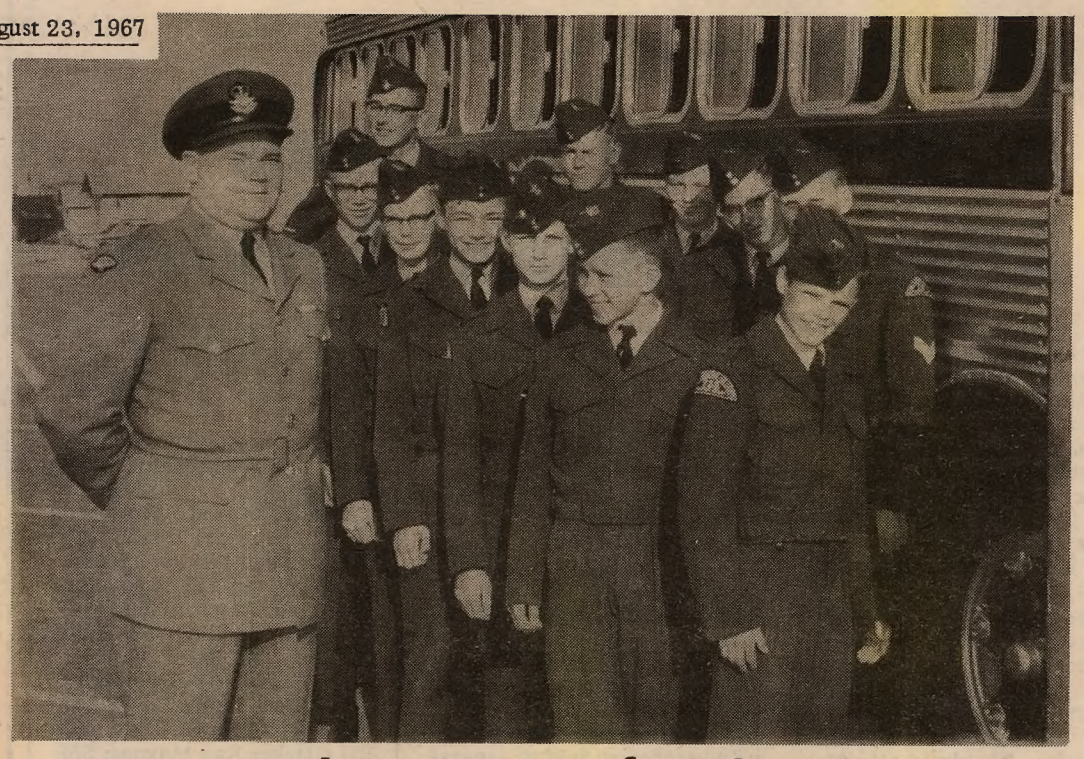
This week has seen some interesting titles added to our collection. Among these are: the old favourite of W. Somerset Maugham, "Cakes and Ale" When this book was first published in 1930 it roused a storm of controversy, since many people imagined they saw in its pages recognizable portraits of literary figures now no more This book is now considered to be one of Mr. Maugham's best novels.

Dorothy Eden has been a favourite author with our women readers. Her latest book is called "Winterwood" and promises to be as equally exciting as "Darkwater" and "A Bird in The Chimney".

It is two years since Robert Wilder's book, "The Fruit of the Poppy" was published. Now "The Sea and the Stars" promises to be equally popular. The latter is a story of the growth of Florida and is compared to Edna Ferber's "Giant" which did the same for Texas.

Set in Russia when Rasputin, the mad monk, ruled the royal court, Ruth Freeman Solomon's book, "The Candlesticks and the Cross" follows the fortunes of the Glasman family from the peak of romantic security to disruption and exile.

NOTE: On Tuesday, September 5th the library will resume its regular schedule, Tuesday and Friday from 3 to 5 and from 7 to 9. Noon on both days for bus children only.



Cadets Leave for Camp

Eleven members of the Drayton Valley Air Cadet Squadron, accompanied by Flying Officer, Bill Johanneson, are shown above boarding the bus for the trip to Penhold for a two-week stay at the RCAF base. The bus travelled from here to Camrose to pick up cadets from that city attending the camp. Cadets in the front row from front to back are: Jim Hale; Ricky Pajak, Michael Metzger, Brice Gossel, Greg Metzger, and Eugene Bohnet. Back row, front to back, Wayne Selin, Dale Kennedy, Michael Blake, Charles Swap and Ken Dusterhoft.

THE Homemakers

Mrs. Marlene Jubenvill
Dist. Home Economist

Alberta

Should Shifty Sam call at your door, run for your life.

A little knowledge of door-to-door selling could save you a lot of money. And if you don't believe me, listen to this. Recently, I called on a couple in the Stony Plain area. They had paid a contractor to build their house, finish the exterior and supply materials for the inside. After several months, all that's been done is the rough exterior and attempts to locate the said contractor have been useless. Several thousand dollars is involved and it's doubtful they will ever get what they paid for.

Our department is pleased to assist with planning your home and our engineers can tell you what a contract should contain and how it can protect you. For example, the full price should never be paid for a job until you are satisfied that all subcontractors have been paid and that the job is satisfactory.

A lawyer should also check the contract. Perhaps you feel you can't afford to hire a lawyer but really you can't afford not to.

Apparently, the people involved in some of these house-building schemes started out in aluminum siding, progressed to steel buildings and then housebuilding. They must have abandoned the former enterprises when they get too hot to handle.

One approach is to take a down payment and then disappear or you may be told they will do your job at a substantial reduction for the privilege of using your house or building to show others. The price, however, is anything but reduced and probably all your neighbours received the same pitch.

Take heed. Ask to see a salesman's credentials. Check them with the Better Business Bureau and report unscrupulous dealings to them. Compare prices at regular outlets. If a salesman objects to this or claims he's only in the area one day and couldn't allow you the time to check, send him packing. He's a suspect.

Remember, too, that you have 24 hours to cancel a contract made with a door-to-door salesman.

Committee Meets At Evansburg

At a meeting in the Evansview School on August 10th the Evansburg Centennial Committee reviewed the caravan visit on July 1st. It was also decided to keep the committee intact until the end of the year to plan for the grand opening of the covered rink in early December and other events that may occur.

It was also decided that the July 1st celebration be continued as an annual affair with a pioneer reunion theme if possible.

Mr. Bjornstad presented a bill for $16 for engraving on plaques and Mrs. Fausak reported that another 200 certificates were purchased to be sent to old-timers which brought the total to 600. She also presented a small bill for phone calls.

Mr. Panke distributed outlines of income and expenses which showed a balance of .02 on hand. Mr. Grassi moved adoption of the report. The Fire Department has agreed to assist with money to pay these small bills outstanding to date.

Mr. Panke moved that the secretary write letters of thanks to those organizations outside our community who were so helpful with booths etc. on July 1st and let them know that any donation cheques from their profits on that day should be made payable to the Centennial Trust Fund of the Village of Evansburg, and given either to Mrs. M. Cumming or to Mr. M. Manz. A book of names of those present July 1st is being kept by the Evansburg Ladies Auxiliary.

Mr. Corkery read a letter from the Caravan Manager thanking the Evansburg Committee for such a fine reception and congratulating Evansburg on its successful celebrations.

Mr. Corkery thanked the committee for their fine work and the meeting came to a close with an enjoyable showing of slides of the Caravan and celebrations by Mr. Panek and Mrs. Taylor.

Prospects Good For Waterfowl Hunting This Fall

With the exception of the mallard duck and the white-fronted goose, populations of ducks and geese are at improved levels and hunting opportunity has also improved over last year, according to the 1967 Migratory Birds Regulations, details of which were released recently by the Canadian Wildlife Service, Department of Indian Affairs and Northern Development.

In the provinces of Alberta, Saskatchewan, and Manitoba daily bag and possession limits for ducks have been raised from last year's limits of five and ten to eight and sixteen. But these limits may include only two and four mallards in Manitoba and five and ten m mallards in Saskatchewan and Zones 1, 3, 4, and 5 of Alberta.

Daily bag and possession limits for geese are five and ten in most of the provinces and in the Territories. In Manitoba not more than three white-fronted geese may be taken and not more than six may be possessed. Hunters in Saskatchewan and Alberta, and non-resident hunters in the Yukon and Northwest Territories, may take only two white-fronted geese and possess four.

ANTELOPE AND SAGE GROUSE HUNTING LICENCE APPLICATIONS

TROPHY ANTELOPE SEASON
October 21st to October 28th

SAGE GROUSE SEASON
October 21st to October 24th

This year a random selection of a limited number of antelope and sage grouse licences will be made from all properly completed applications received from Alberta residents. "Resident" means a person who is a Canadian citizen and who has resided in the Province for a period of three months immediately prior to the date of application for a licence, or who is not a Canadian citizen but has resided in the Province for a period of one year immediately prior to the date of his application for a licence.

Before applying for a licence it is necessary to have a 1967 Wildlife Certificate. A group of hunters, up to a maximum of four, who wish to hunt in the same vicinity may submit their applications in one envelope. Each applicant is allowed only one application. As there are several areas open to antelope hunting, please indicate on the front of the envelope your first, second and third choice.

The 1967 trophy antelope season is restricted to male antelope only which have horns of a length sufficient to exceed the length of its ears, that is a horn length of not less than five (5) inches.

The special sage grouse licence is valid only in Wildlife Management Units G 120, G 104 and G 116.

All applications must be submitted on a special form available only at Provincial Fish and Wildlife Offices. As illegible or incomplete applications do not qualify it is important to read the instructions.

A money order or certified cheque payable to the Provincial Treasurer must be enclosed with each application.

SWIM MEET
NEXT SATURDAY

Drayton Valley will be hosting the annual district swim meet next Saturday, August 26th at the local swimming pool. The meet will get under way at 12:00 noon sharp and will feature swim teams from Hinton, Edson and Devon as well as a strong entry from the home town.

Similar meets were held in Edson and Hinton during the past month and another is planned for Devon next Sunday afternoon. The Drayton Valley team took part in both the Edson and Hinton meets and plan to compete in the Devon meet also.

Some 36 young swimmers from the town will represent Drayton Valley in Saturday's event. The youngsters have been in constant training since early June under the direction of Fred DeGeest, Sharon Phelan, Kurt Hansen, Al McKillop, Jane McGee and Ron Pajak. These people all had a hand in moulding the team at different times during the season. Vic and Jackie Timminss also took an active part in coaching the team before they left Drayton Valley early this summer. Much of the success of our swim team can also be attributed to interested and enthusiastic parents such as Wilma Steeves, Peggy McKillop and Mike Daviduk to mention a few of the many who have helped make the Neptune Swimming Club the success that it has been.

This will be the fourth district swim meet held in Drayton Valley since the pool opened five years ago. The 1964 meet was cancelled because of inclement weather. Considering a favorable break from the elements Saturday's meet should surpass any previous meet held here in the calibre of competition. I think that the 1967 Neptune team would have an edge over any of its predecessors since 1963. Be this what it may, Saturday's events promise some keen competition and will offer some spectacular entertainment for swim fans.

SWIMARAMA A SUCCESS

The first swim show held at the local pool since 1964 proved a tremendous success from every point of view. The Centennial Swimarama held last Sunday afternoon was witnessed by some 400 persons. The program had plenty of variety and seemed to be thoroughly enjoyed by everyone.

A fine exhibition of clown diving by an Edmonton group featured the show. Other notable activities were the relay races with teams from Pan American, Calgary Power, Edmonton, the Drayton Valley Nurses and the Pool Staff taking part, some fine diving by local youngsters and an exhibition of water polo.

The show was entirely prepared and presented by the Pool Staff under the direction of Sharon Phelan. Congratulations to one and all on an excellent presentation.

FOOTBALL SOON

It is around to that time of year when the gridiron sport takes over for a few months. It's football time in Drayton Valley and all interested parties ranging in age from six to twenty will get a chance to play the game if they so desire. The levels of football played here this year will include High School, Bantam, Pee Wee and Mite.

The High School program will be handled entirely through the school. The team will play out of the Frank Maddock High School with Paul Bradley as head coach. All persons interested in this program should get in touch with Mr. Bradley in the near future.

The Bantam, Pee Wee and Mite catagories will function under the auspices of the Drayton Valley Athletic Association and the program will be organized and directed through the Recreation Office. At the Bantam level the newly organized Drayton Valley Packers will be competing in the Edmonton City Junior Bantam League under the auspices of the Edmonton Huskie Athletic Association. The team will be coached by Bill Disney and the season gets underway on Sunday, September 10th when the Packers take on the St. Albert Wranglers. There will be five games in the schedule plus the playoffs or whatever exhibition contests can be arranged. The age limit for this group is fourteen years of age as of January 1, 1967 and the weight limit is 125 pounds. It goes without saying that both these regulations will be strictly adhered to in this case.

The Pee Wee picture will look familar in comparison with past years. There will be two teams, the Eskimos and the Stampeders competing in a local community league. There might be some competition from outside this year, with a Pee Wee program being promoted in Edmonton there is a good possibility of an exhibition game or two with the city boys. To play Pee Wee football a boy must be at least ten years old and weigh at least 75 pounds. The maximum age and weight in this category is twelve years of age and 110 pounds. The Pee Wee Football season will likely open on Saturday, September 9th at the Lions West Valley Recreation Park. All games at all levels including High School will be played at this park.

The Mite League will feature a brand of Touch Football and will involve boys from six to ten years of age with no specified weight limit. These boys will not carry any equipment. No tackling will be allowed in practice or games, but otherwise rules and regulations will assimilate those of Canadian Football as closely as possible. A special ball field of smaller dimensions will be outlined at the Lions Park for those little fellows.

Registrations are now open for all levels, Bantam, Pee Wee and Mite. Register early Deadline for all registrations in September 15, 1967. Positively no registrations will be accepted after that date. So from now until hockey season which is still two months away its football season and we hope hat you youngsters who are interested will make the best of it.

AROUND AND ABOUT

The Department of Youth of the Province of Alberta are interested in establishing a Youth Advisory Committee to the Department. This Committee would be composed of a broad cross-section of young people (16-22 years of age) who could generally voice the needs and the feelings of youth. It would be a credit for us to have a young person from Drayton Valley on this committee

Speaking of hockey, Russell Simpson is presently attending the Canadian Amateur Hockey Association Leadership Institute held at the University of British Columbia in Vancouver This is a week-long clinic featuring some of the top hockey instructors and coaches in the country. So Russell should return to us very well prepared to expound on his favorite sport during the coming hockey season.

New Emblem For Canadian Armed Forces

The design of a new emblem for the Canadian Armed Forces has been approved by Her Majesty Queen Elizabeth II.

The emblem will be phased into use gradually over a period of time. It embraces familiar symbols of the navy, army and air force. Existing service emblems will continue to be used as appropriate until the armed forces unification bill has been proclaimed.

The new emblem is composed of the Crown over a blue oval background, surrounded by a wreath of ten stylized red maple leaves. Superimposed on the oval, in dolg, is the navy fouled anchor, the army crossed crusader swords and the traditional air force eagle.

First use of the new emblem will be on armed forces administrative vehicles, manuals and certificates, publications, and displays.

Garden Club Meets

The Drayton Valley 4-H Garden Club held its regular meeting on August 10th in the Town Hall. Achievement Day plans were discussed. This year the club will have its display with the W.I. Flower Show on August 30th at the Elks Hall.

It was decided to follow the centennial theme for our displays. Everyone is invited to come and view the work members have done this season. We are hoping to interest new members and parents for a bigger and better club next year.

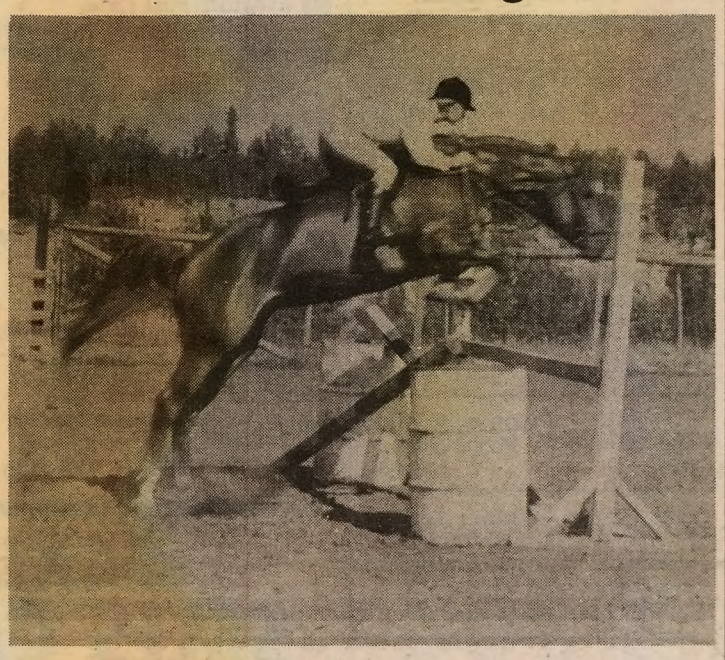
Horse Show at Evansburg

One of the many fine cutting horses that took part in the Evansburg Kinsmen's Annual Horse Show Saturday is shown working in the top photo. In the lower photo one of the junior jumpers is shown taking one of the jumps in the sweepstakes competition. The show, as in the past, again proved to be a success and attracted a large number of spectators.



D. V. Highlights

BY MRS EDITH DEBY

Mr. and Mrs. Nick Urchyshyn spent the weekend in Calgary visiting their son-in-law and daughter, Mr. and Mrs. Robert Hunter.

Miss Marianna Kaarsemaker is spending six weeks this summer in her native Holland. She will see many relatives and friends in various parts of the country. This fall Marianna will enter the University of Alberta Training School for nurses.

Imagine the surprise of Lester Miller when he answered a ring at his door last week and opened to find the former Miss Barbara Whittaker on the step. When the Anglicans opened the Lady Farron Mission in Drayton Valley in 1936 Miss Whittaker was the first nurse. She travelled a big territory here with whatever conveyance was available. Often the Millers were her drivers. It isn't surprising that Miss Whittaker found the town changed beyond recognition. She is teaching nursing in Eastern Canada and had only two days in Edmonton but said she had to spend a few of those hours seeing Drayton Valley.

Crop Maturity Checks Important

Since there are going to be tremendous variations, even within small areas, in the rate at which Alberta crops ripen this year, it is more important than ever to check crop maturity regularly.

According to S. Yelland, crop specialist with the provincial Plant Industry Division, checking the stage of maturity is particularly important for rapeseed crops. The only way this check can be carried out is by breaking the pods open. The pods can still have a greenish appearance when the seed inside is ready for swathing. Mature rapeseeds are a deep brown colour. Since rapeseed shells out onto the ground very easily, the crop should be cut when the seeds are brown even if the pods are still a little on the green side. Care should be taken, however not to sacrifice oil quality and quantity by swathing rapeseed crops too early.

In the case of cereal crops, Mr. Yelland reports that some of the moisture content results obtained by research workers at the Lacombe Research Station, the Swift Current Experimental Station and elsewhere may be rather surprising.

The recommended moisture content for both malting and feed barley at the time of swathing is between 35 and 40 per cent in the greener parts of the field. Even malting barley retains its full plumpness when swathed with a moisture content of between 40 and 42 per cent.

Research workers report that the ideal moisture content for wheat at the time of swathing is 25 to 38 per cent. When the wheat is at the right stage of maturity for cutting, the greenish tinge at the end of the kernels will have turned yellow and the kernels will be easily pressed when held between the finger and thumb.

Oats can be safely swathed with a 25 per cent moisture content, which is when the crop is in the dough stage. Rye can be swathed when the moisture content is between 40 and 45 per cent or when the crop is in the early dough stage.

Although visual observations can give a good indication of the most suitable time to harvest cereal crops, the use of a reliable moisture tester is the preferable method of determining the moisture content. Commencing harvesting operations a few days earlier by swathing at higher moisture levels could mean the avoidance of frost or hail damage during this critical time, says Mr. Yelland.

New Regulations Govern Sales Of Used Cars

The Honourable Gordon E. Taylor has announced that as of August 1, 1967, every dealer in used motor vehicles prior to entering into a contract to sell a used motor vehicle, shall give to the purchaser a certificate of mechanical fitness of the vehicle which the purchaser is buying.

If the motor vehicle complies with the equipment requirements as provided for in The Highway Traffic Act, the dealer will give to the purchaser a certification of motor vehicle compliance. In the event that the motor vehicle does not comply with The Highway Traffic Act, the dealer will be required to indicate which equipment is non-roadworthy and the onus will then be on the purchaser to immediately repair the defective part.

In this respect, a dealer will be required to state that the brakes, speedometer, muffler, horn, tail-lights, turn-signals, etc., are working or are not working, or whether they are working sufficiently to comply with the requirements of The Highway Traffic Act.

Provision has also been made making it an offense for any person to alter the mileage reading of an odometer on any motor vehicle except where necessary for mechanical repairs or replacement of the unit.

1967 Master Farmer To Visit Expo

This year's master farmers will receive an all-expense paid trip to Expo 67 for themselves and their wives or $1,000 if they cannot make the trip. A maximum of five farm families will win the award.

To be eligible for nomination, the family must be Canadian citizens, and the farmer must be an owner-operator or a lease-operator of thefarm. The farmer must have spent at least 20 consecutive years running his operation. If he has served in the Canadian Armed Forces, this will count as time spent farming.

Objectives of the farm family awards are to honor those who have achieved notable success in farming, home making and citizenship. The award is to provide a practical demonstration of farm and family progress and of approved practices that bring success. The award should draw attention to the wholesomeness and dignity of rural life. Finally, the award should show the rising generation an example of the higher ideals of agriculture and the opportunities in rural citizenship.

The real problem of your leisure is how to keep other people from using it.

Priority System Established for Antelope Hunters

A priority system for Antelope Licence Applicants, to become effective in the 1968 season, has been initiated by the Alberta Fish and Wildlife Division, Department of Lands and Forests.

Hon. H.A. Ruste, Minister of the department, indicates that the new system is being tried in hopes that it will result in a more equal distribution of licences among the hunting public of Alberta.

All unsuccessful applicants for a 1967 licence will have sent to them, along with their notice, a personalized color-coded application form for the 1968 season. The submission of this colored form in 1968 will guarantee the applicant a priority position for the 1968 selection. All 1968 unsuccessful applicants will receive priority forms for the 1969 season. Successful hunters for the 1967 season may apply again in 1968, but on the normal form.

Colored priority applications will not be replaced if lost by the applicant.

As in previous years, a random selection of a limited number of antelope licences will be made from all properly filled out applic;tions received from Alberta residents. Due to the condition of various herds, a male only season will be held.

Actual number of licenses to be drawn depends on the results of recently completed aerial checks of the animals in the antelope range area. It is expected that the number of licences issued will be reduced from last year.
